

Welcome to our Restaurant

Le Carniole

*Retaggio means “heritage”, but it has a wider meaning:
it means cultural heritage,
heritage of traditions,
heritage of lifestyle.*

*Therefore, our name represents our goal: we work every
day with passion and curiosity in order to rediscover the
flavors and values that Tuscany offers us and to pass
them down to our guests in an authentic way.*

*Our heritage is located within one of the most beautiful
frames in Tuscany: the medieval city of Arezzo.*
